A screenshot of the Ansitel web interface. At the top, a red arrow points from the number '1' to the browser's address bar, which displays the URL '192.168.254.20/awi/index.php'. The main content area shows a dark-themed dashboard with a welcome message: 'Willkommen zu Ihrer Voice over IP-Telefonanlage.' and 'Sie können Ihre Benutzer-Einstellungen mit diesem Webinterface vornehmen.' On the left, a vertical navigation menu is visible, with red arrows pointing from the numbers '1' and '2' to specific items: 'Endpunkte' and 'WebFax' respectively. The menu also includes 'Nebenstellen', 'Pers. Nebenstellen', 'Reports', and 'Telefonbuch'.
